

SPARK Alignment to the Common Core

Making the Connections – Meeting the Standards

SPARK Elementary Physical Education (Grades K-5)

English Language Arts & Literacy in Technical Subjects

As a research-based, public health organization, SPARK is committed to the holistic development of all students. The Common Core State Standards provide an important framework that highlights the educational value and depth of SPARK programs and educational materials.

The following document provides an overview of how the SPARK Physical Education (PE) programs Grades K-2 and 3-6 align with Common Core State Standards in English Language Arts and Literacy in Health and PE. As you review this document note:

1. SPARK Elementary PE Programs are designed for students in Grades K-6, while the CCSS Elementary standards are written toward K-5 grade levels. Therefore, you'll read a reference to SPARK 3-6 PE below standard references for grades 3-5. Alignment to CCSS Standards for grade 6 are referenced in another document.
2. The sample resources and activities provided illustrate SPARK's alignment to the standards, yet do not represent a complete list of resources for each benchmark. SPARK provides these examples to offer educators quick access to one or two relevant resources.
